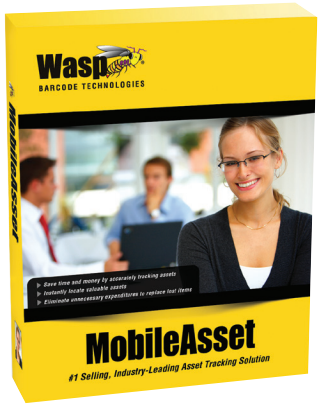
Productivity Solutions for Small Businesses

Wasp Barcode Systems

MobileAsset



Asset Management Made Easy

Save time and money by automating the asset tracking process. Wasp MobileAsset gives you the tools you need to accurately track valuable company assets like computers, office furniture, vehicles, and tools.

Features:

- Track assets by site, location, department, item, serial number, and more.
- Check assets in & out to employees or customers.
- Create barcoded asset tags.
- Instantly access 61+ pre-built management reports.
- Attach any type of file to an asset – pictures, warranties, user manuals, invoices, and more.
- Audit your assets from a PC, mobile computer, or an iOS/Android device.

Complete Plus Solution – *Software, Mobile Computer, & Barcode Printer*

All complete solutions include MobileAsset software, battery/comm cables, WPR 2.16" x 820' resin ribbon, WPL305 desktop barcode printer and 2" x 1" polyester labels.

Includes an HC1 mobile computer, mobile device license and 3 hours of training.

Pro, HC1 & WPL305	Price: **$4,795**	Part number: **633808927660**
Enterprise, HC1 & WPL305	Price: **$6,795**	Part number: **633808927677**

Complete Solution – *Software, Mobile Computer, & Barcode Printer*

Quickly access important asset information on-the-go with the HC1 mobile computer's QWERTY keypad.

Standard, HC1 & WPL305	Price: **$2,495**	Part number: **633808927806**
Pro, HC1 & WPL305	Price: **$4,295**	Part number: **633808927813**
Enterprise, HC1 & WPL305	Price: **$6,295**	Part number: **633808927820**

Includes the DT60 mobile computer for data collection and barcode printer for creating asset tags.

Standard, DT60 & WPL305	Price: **$1,995**	Part number: **633808927493**
Pro, DT60 & WPL305	Price: **$3,695**	Part number: **633808927516**
Enterprise, DT60 & WPL305	Price: **$5,695**	Part number: **633808927523**

Mobile Solution – *Software & Mobile Computer*

All mobile packages include MobileAsset software, battery/comm cables and pre-printed asset tags.

Oversized, 3.8" color touch screen is optimal for asset tracking applications. Includes the HC1 mobile computer.

Standard & HC1	Price: **$1,995**	Part number: **633808927837**
Pro & HC1	Price: **$3,795**	Part number: **633808927844**
Enterprise & HC1	Price: **$5,795**	Part number: **633808927851**

Ideal for a wide range of asset tracking applications, this versatile solution includes the pocket-sized DT60 mobile computer.

Standard & DT60	Price: **$1,495**	Part number: **633808927530**
Pro & DT60	Price: **$3,195**	Part number: **633808927547**
Enterprise & DT60	Price: **$5,195**	Part number: **633808927554**

Software Only

Standard Edition / 1 PC License
Price: **$595** Part number: **633808927561**

Professional Edition / 5 PC Licenses
Price: **$2,295** Part number: **633808927578**

Enterprise Edition / Unlimited PC Licenses
Price: **$4,295** Part number: **633808927585**

MobileAsset iOS/Android/Non-Wasp Device License

Manage assets from an iOS, Android, or any other compatible Non-Wasp device.

iOS/Android/Non-Wasp Device License
Price: **$295** Part number: **633808927592**

Pair your iOS or Android device with the WWS100i, WWS150i, or the WWS250i 2D pocket bluetooth scanner for faster scanning

WWS100i	Price: **$149**	Part number: **633808920692**
WWS150i	Price: **$195**	Part number: **633808951207**
WWS250i	Price: **$279**	Part number: **633809000201**

Package Tracker

Save time, save money, be sure!

Wasp's **online mail tracking system** enables organizations to track a package from the moment it is received in a central location, identifies who received and will deliver the package, and the time and date that the end recipient signed for the package.

- Quickly deliver packages through the mailroom.
- Reduce errors, misplacement, and shrinkage.
- Know who is accountable for the package.
- Reduce time searching for packages.

Package Tracker Standard (1 Year)
Price: **$745** Part number: **633808391492**

Package Tracker Professional (1 Year)
Price: **$1,069** Part number: **633808391508**

Optional accessories

- **Barcode Scanners & Mobile Computers** – Use a barcode scanner to scan incoming packages into Package Tracker. Upon delivery, a mobile computer can scan the package and collect the end recipients signature.
- **Barcode Printers –** For packages without an existing label, use a barcode printer to quickly generate a label to scan and track the package.

Inventory Control

Maintain accurate inventory counts and enhance customer service with Wasp Inventory Control. Easy to implement and use, Inventory Control delivers big business efficiency at an affordable price.

Features:

- Track inventory by site, location, serial number, date, lot, and pallet at multiple sites and locations.
- Easily import inventory and supplier data using the Import Wizard.
- Check inventory in or out to customers and employees.
- Access 60+ pre-built management reports.
- Accurately perform inventory audits and cycle counts using your PC or mobile computer.
- Access real-time inventory data with Inventory Control RF Professional and RF Enterprise.

Get in Control of Your Inventory

Complete Solution – Software, Mobile Computer, & Barcode Printer

All solutions include Inventory Control software, 2.16" x 820' wax ribbon, WPL305 barcode printer and 2" x 1" TT labels.

Track inventory efficiently and accurately with the HC1 Complete Solution.

RF Pro, HC1 & WPL305	Price: **$4,795**	Part number: **633808391348**
RF Enterprise, HC1 & WPL305	Price: **$6,495**	Part number: **633808391362**

Includes the DT90 mobile computer for data collection.

Standard, DT90 & WPL305	Price: **$2,495**	Part number: **633808929329**
RF Pro, DT90 & WPL305	Price: **$4,495**	Part number: **633808929305**
RF Enterprise, DT90 & WPL305	Price: **$6,295**	Part number: **633808929312**

For fast, reliable data collection, this ideal solution includes a DT60 mobile computer.

Standard, DT60 & WPL305	Price: **$1,995**	Part number: **633808929404**
RF Pro, DT60 & WPL305	Price: **$3,995**	Part number: **633808929411**
RF Enterprise, DT60 & WPL305	Price: **$5,795**	Part number: **633808929428**

Scanner Solution – Software, Barcode Scanner, & Barcode Printer

Accurately manage inventory with an affordable solution using the WWS550i Bluetooth barcode scanner.

Includes:

- WWS550i barcode scanner
- 2.16" x 820' wax ribbon
- 2" x 1" TT labels
- InventoryControl software
- WPL305 barcode printer

Standard, WWS550i & WPL305	Price: **$1,495**	Part number: **633808920647**

Mobile Solution – Software & Mobile Computer

Combining flexibility with versatility, this solution features the HC1 mobile computer. Scan and track inventory away from your PC by updating inventory records and performing transactions on-the-go. Field updates and changes are instantly displayed in the main database providing real-time visibility.

RF Professional & HC1	Price: **$4,295**	Part number: **633808391331**
RF Enterprise & HC1	Price: **$5,995**	Part number: **633808391355**

Engineered to withstand rugged, scan-intensive environments, this solution includes a DT90 mobile computer.

Standard & DT90	Price: **$1,995**	Part number: **633808929350**
RF Professional & DT90	Price: **$3,995**	Part number: **633808929336**
RF Enterprise & DT90	Price: **$5,795**	Part number: **633808929343**

Capture inventory data on-the-go with the lightweight, pocket sized DT60 mobile computer that does not compromise on performance.

Standard & DT60	Price: **$1,495**	Part number: **633808929435**
